Spring Cleanup Thanks !

Thank you for your assistance with Bangor's Spring Cleanup Program. Your help in bringing acceptable spring cleanup material to the Public Works facility means that many hundreds of man- hours and thousands of tax dollars are saved, or re-directed into important street, sidewalk and sewer maintenance projects. Your participation also improves the appearance of the City, eliminating unsightly piles of curbside trash and helps prevent non- resident abuse of Bangor's Spring Cleanup.

Please refer all questions to Bangor Public Works at 992-4500
